

Updated Mask Requirements

Effective March 14, 2022

Per CDC guidelines:

- If you are [at high risk for severe illness](#), talk to your healthcare provider about whether you need to wear a mask and take other precautions
- Stay [up to date](#) with COVID-19 vaccines
- If you have symptoms [get tested](#) and if you test positive, stay at home
- If you have had exposure to someone with COVID-19 you should wear a mask.
- People may choose to mask at any time.
- If you are immunocompromised, learn more about [how to protect yourself](#).
