HELLO AND WELCOME TO THE NEW 2022-23 SEASON!

We have an exciting full year ahead planned for your entertainment beginning in the Fall and running all the way through next summer, both inside the Theatre and on the neighboring Fairgrounds.

Inside this playbill you will find details of all the visiting guest artist performances, with links to their music to give you a taste before you purchase your tickets!

As well as the shows, we have wonderful exhibitions in the Purcell Gallery, Art and craft classes for all ages, Music & Wine on our terrace over the summer, after school clubs and summer camps for the children, and many other ways you can get involved with your Arts Center.

This is also our opportunity to acknowledge and thank our sponsors and donors who, without their financial support, we would not be able to bring you these fabulous events!
