Patrons and supporters of our wonderful Arts Center.

Hello and welcome to the 2023-24 season!

We have an exciting year ahead full of tribute bands, live shows, gallery exhibitions, art classes, children’s camps, movies, and creative workshops planned for your enjoyment. Outdoors our summer concert season continues on the Fairgrounds in August, and we are using our campus for Music & Wine on the terrace, an Artisan Fundraising Fair and our Classic Christmas festival.

We are also excited to re-launch our live theatre program using local actors for a children’s performance in the fall and an adult play in the spring. This will be complemented by visiting performers as we bring ballet to our theatre and to Louisa for the very first time!

Inside this playbill you will find details of all the events and activities from August through December, with links to the music for the bands to give you a taste before you purchase your tickets.

This is also our opportunity to acknowledge and thank our sponsors and donors as, without their financial support, we would not be able to bring you this fabulous season!
